

ISFMFE 2016

October 18-22, 2016 Jeju, Korea

Topics

- ✓ Aerodynamics
- ✓ Jet technology
- ✓ Blowers and fans
- ✓ Micro/nano systems
- ✓ Boiler systems
- ✓ Noise reduction
- ✓ Combustion & Fuel & Emissions
- ✓ Propulsion
- ✓ Compressors
- ✓ Pumps
- ✓ Computational Fluid Dynamics
- ✓ Renewable energy
- ✓ Cycle innovations
- ✓ Rotor-dynamics
- ✓ Flow meters & valves
- ✓ Tribology
- ✓ Gas & Steam Turbines
- ✓ Turbocharged engine
- ✓ Hydro turbines
- ✓ Wind turbines

SCOPE

The 7th ISFMFE will be held at Jeju, Korea on October 18-22, 2016. The ISFMFE has served as important opportunity to exchange key knowledges in the field of fluid machinery and engineering. The scope of the Symposium will cover subjects pertaining to compressors, blowers and fans, pumps, flow meters and valves, gas turbine, steam turbines, hydro turbines, rotordynamics and tribology, jet technology, propulsion, boiler systems, micro and nano systems, renewable energy, wind turbines and the systems in which these machines and devices work. It will be an opportunity to bring all of researchers together in Fluid Engineering. We invite all of researchers to exchange state of the art technologies and encourage recent developments in both academic and industrial fields of fluid system technology.

Important dates

• Deadline for Abstract Submission	1 Aug, 2016
• Notification of Acceptance	8 Aug, 2016
• Deadline for Pre-registration	31 Aug, 2016
• Deadline for Extended Abstracts Paper	31 Aug, 2016
• ISFMFE 2016	18-22 Oct., 2016

Venues

Conference Hall:

LOTTE City Hotel, Jeju, Korea
Lotte City Hotel Jeju, the highest building in Jeju, takes motifs from the best features of Jeju Island. It is an ideal hotel for both business travelers and tourists, only five minutes from Jeju International Airport by car.

Submission of papers

All of contents are considered for contributed oral presentations or poster sessions. 2-page extended abstracts format can be submitted for final program. All of the notifications, guidelines and necessary format are posted on website <http://isfmfe2016.org>. As ISFMFE 2016 has teamed up with JMST and IJFMS journal, some of the papers with superior quality will be recommended for the journal publications

Symposium Committee

- Conference Chair
Hyung Hee Cho (Yonsei Univ., Korea)
- Conference Co-Chair
Yangjun Zhang (Tsinghua Univ., China)
Jun Matsui (Yokohama Natl. Univ., Japan)
- Honorary chair
Kwang-Yong Kim (Inha Univ., Korea), Yoshinobu Tsujimoto (Osaka Univ., Japan), Jianzhong Xu (Inst. of Engineering Thermophysics, China)

ORGANIZED BY

Korean Society for
Fluid Machinery

Chinese Society of
Engineering Thermophysics

Turbomachinery Society
of Japan

SPONSORED BY

The Korean Society
of Mechanical Engineers

The Korean Society of
Tribologists and
Lubrication Engineers
